Foreword

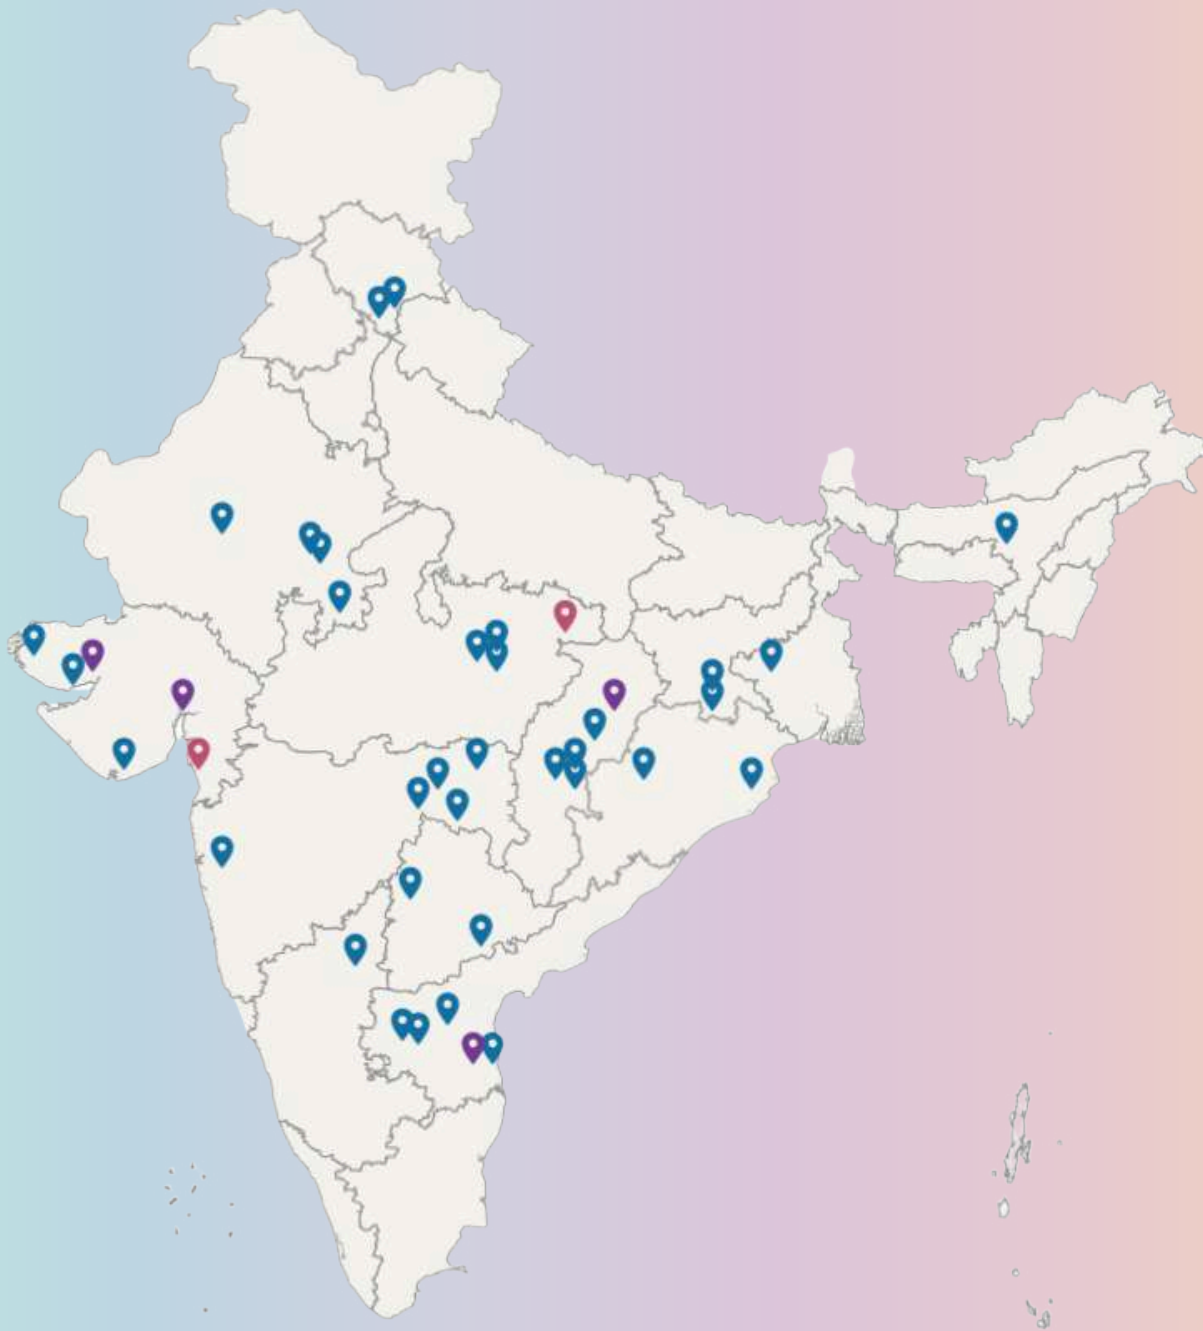

As we begin this academic year, we unite under one identity, shaped by a common Adani culture focused on touching lives and enabling dreams - especially for those from challenging backgrounds.

The board exam results from our schools in remote areas underscore one key fact: true education is not about high-profile infrastructure, but about the genuine connection between teachers and students. Our approach - **understanding each student's unique story, supporting their aspirations, and guiding them toward achievement - is what sets Adani Foundation Schools apart.**

This issue of ENZEURA highlights our students' successes, their journeys, and our schools' unique contributions to their growth and empowerment.

Together we rise. Together we move forward, step by step.

Rising with the Tide

In the coastal villages near Krishnapatnam, where lives once followed the rhythm of the sea, children are now navigating a new course - powered by education, not nets.

At Adani Vidya Mandir Krishnapatnam, Andhra Pradesh run by the Adani Foundation, free quality education, meals, and support have opened doors once thought closed.

This year, AVMK Junior College's first batch made history:

- **100% board results**
- **Top score: 98%**
- **8 Students scoring 100/100 in Maths, 6 in Physics, 4 in Chemistry**

These aren't just marks - they are milestones of resilience and hope. From tides to textbooks, these students are rising - and rewriting their future.

100% Commitment. 100% Results.

We are happy to share the remarkable **2024-25 SSC Board results from our Penna Schools - a reflection of dedication, hard work, and unwavering passion.** Even with limited resources, our schools have achieved exceptional milestones.

Boyareddypalli: 100% pass

- **Topper: Bhanu Vardhan – 584/600**

Talaricheruvu: 100% pass

- **Topper: T. Vijayalakshmi – 583/600**

These results show that true education doesn't depend on big buildings or fancy facilities. It comes from the strong bond between teachers and students. From 7 a.m. to 7 p.m., they worked side by side - proving that with dedication, connection, and belief in each other, success is always possible.

Nurtured to Rise:

The Journey of Jay Bavaskar, JEE Mains AIR 70

Jay Bavaskar, a Class XII student from AVMA's 2024–25 batch, has secured an outstanding AIR 70 in the SC category in JEE Mains - a true reflection of his resilience, focus, and determination.

Coming from a humble background, where his father once worked as a store helper, Jay's path was anything but easy. But with AVMA's consistent support - academically, emotionally, and personally - he found a place to learn and a space to grow. Today, with the dream of becoming a research scientist, Jay stands as an inspiration to many.

At the heart of Jay's journey lies a powerful truth: when our visionary and grounded trustees and a committed school team take the time to understand a student's story, nurture their aspirations, and walk with them - they don't just succeed, they soar.

Rooted with Traditions, *Rising* with Pride!

Sampoorna Majumder from Adani Public School ,Mundra, Gujarat has struck a high note of excellence by clinching **First Prize at the State Level in the Kala Maha Kumbh – Classical Vocal (6–14 yrs) category**, organized by the **Government of Gujarat!**

From Taluka to State, her voice has echoed discipline, culture, and passion across every stage. We're proud of her and her music teacher for their guidance throughout her journey.

Cleanliness Champion:

AVN Upperwahi bags 1st Position at Tehsil Level

Ambuja Vidya Niketan, Upperwahi, Maharashtra (Managed by Adani Foundation) has secured **1st position at the Tehsil level under the Chief Minister's Neat & Clean School Award**. The school was awarded a **certificate, a trophy, and a cash prize of Rs. 3 lakhs by the BEO, Education Department, Maharashtra**. This achievement is not just a recognition of infrastructural upkeep, but also a reflection of the values, discipline, and environment nurtured within the campus. Under the dedicated leadership of Mr. Rajesh Sharma and his passionate team, AVN Upperwahi has set a benchmark for others to follow.

As part of the collaboration between **Adobe Express for Education** and **Adani Foundation Schools**, 71 of our teachers have been certified as **Adobe Creative Educator Level 1**. They will now support and train over 1200+ teachers and guide 14,000+ students across all Adani schools, amplifying creativity and innovation in the classroom.

POSITIVE Parenting

Mr. S. K. Pandey, Principal of Ambuja Vidya Peeth, Rawan, Chhattisgarh delivered a powerful session on **"Positive Parenting"** at the Life-Changing Motivational Programme on April 5, 2025, at the District Auditorium, Baloda Bazar, Chhattisgarh.

He has also been awarded an Honorary Doctorate by University of Central America in recognition for his extensive research in Mathematical Physics (Bi-matrix Theory of Relativity). Addressing a distinguished gathering of students, parents, and dignitaries including the Collector (IAS), SP, DFO, and CEO, Mr. Pandey emphasized the vital role of trust, empathy, and open communication in nurturing confident, well-rounded children.

The event was widely covered in both print and digital media. We congratulate Mr. Pandey for his outstanding contribution in promoting positive parenting practices.

5 POSITIVE PARENTING TIPS

#CHANGEMAKER

A Journey of courage, determination & Integrity

From leading crime control and positive policing across Gujarat and the Indo-Pak border to championing the rights of women and senior citizens, **Shri Ajaykumar Tomar, a benchmark IPS**, valued across the board, has dedicated his life to service with courage, commitment, and passion. A true changemaker, his journey reflects deep determination and integrity.

During his visit to Adani Vidya Mandir Ahmedabad, he left a lasting impression on our students - encouraging each one to shine in their own unique way, with focus, determination, and heart.

LEARNING TO LEAD:

Training Teachers, Transforming Classrooms

As part of the annual academic training calendar, Adani Schools conducted focused professional development sessions to enhance classroom practices and build teacher capacity.

A two-day workshop on **'Competency-Based Assessment and Student-Centric Teaching'** was held on 26–27 April 2025 at Ambuja Vidya Niketan, Upparwahi. Facilitated by Educational Initiatives, the training engaged educators from six schools in strategies for designing meaningful assessments, crafting effective questions, and applying learner-focused pedagogy.

Adani World School, Nellore also hosted two impactful sessions:

- A **Competency-Based Education (CBE)** workshop on April 22–23, focused on skill-based instruction, data-driven teaching, and collaborative learning.
- A **Phonics training** held on April 19–21 equipped teachers with practical early literacy strategies. Through interactive sessions, participants explored sound recognition, phonemic awareness, and classroom techniques to build strong reading foundations.

These learning moments are helping us shape better classrooms and more confident educators across Adani schools.

"As a proud alumna of **DAV Sr. Sec. Barmana, Himachal Pradesh, currently under Adani Foundation**, I'm honored to share a milestone that reflects the roots of my journey - a journey that began within the nurturing walls of my alma mater. Representing DISEC at the Neoteric Summit in Turkey as a delegate to the United States of America, I had the privilege of addressing "War Disarmament: A Path to Global Stability" alongside representatives from over 100 nations.

Being recognized as an Honorable Delegate on such a prestigious global stage was more than an achievement - it was a reflection of the values instilled in me by DAV ACC Barmana. From speaking as a young girl on the school podium to speaking for nations, the growth has been remarkable.

The confidence to lead, the courage to question, and the freedom to dream big - DAV ACC Barmana gave me all of this and more. It shaped not just my education, but my character. I will always remain grateful to this institution for lighting the path that continues to guide me as a global citizen and changemaker."
