Foreword

June 2025 was a month of remarkable milestones for Adani Foundation Schools.

One of our students from Adani Vidya Mandir secured admission to the prestigious IIM under the Adani Scholar initiative, while another earned a place at the University of Oxford for a Master's program.

On June 24, our students embraced the spirit of Seva and Nation First, channeling solar energy and service into meaningful solutions for real-world community challenges. This celebration was a heartfelt tribute to Respected Gautam Sir, whose vision continues to inspire and empower over 32,000 students across our schools.

In this edition of **ENZEURA**, we proudly honour these extraordinary journeys, stories of grit, grace, and growth, that reflect the very soul of our ethos, and the pride that binds our school communities.
