Mother's Support, A Daughter's Triumph

S.J. Saleha, a student of **Penna English Medium High School, Thalicheruvu, AP** (managed by Adani Foundation) has been **selected for the prestigious Sai Sports Academy, Hyderabad**, affiliated with the Government Sports Authority. At this residential academy, she will receive free professional coaching to hone her skills.

Behind her success stands her mother, Ms. Ghousia, a dedicated Hindi teacher of our school and a single parent. With unwavering support and guidance, she mentored Saleha to dream big and work hard. Today, her daughter's achievement is a testament to a mother's belief and a young girl's determination to shine.

Adani Schools Partner with IIT Madras for Future-Ready Learning!

Adani Schools collaborate with IIT Madras through the Student Connect Program. This partnership offers **Class XI & XII students an 8-week certification** in cutting-edge fields, equipping them with industry-relevant skills.

Programs Offered:

- Introduction to Data Science & AI
- Introduction to Electronic Systems
- Introduction to Architecture & Design

The sessions include:

- Recorded lectures, live sessions & assessments
- IIT Madras certification upon completion

Adani Schools Join Hands with IIT Guwahati for Technothon 2025

Adani Schools are proud to announce our participation in Technothon 2025, the prestigious international school championship **organized by IIT Guwahati**. This competition offers our students a unique opportunity to develop logical reasoning, analytical skills, and problem-solving abilities through innovative challenges. By competing in Prelims and Mains at IIT Guwahati, our students will gain exposure to high-level mentorship and exciting rewards, including potential visits to NASA and ISRO.

Rising to the Top

Our Students Shine at FLOA !

We are delighted to announce the outstanding achievements of our students from **Adani Vidya Mandir Ahmedabad** in the prestigious **FLOA Assessment for the German language**. Their dedication, perseverance, and passion for learning have earned them remarkable national rankings, making us immensely proud.

FLOA

Education That Cares and Connects

At **Adani Vidya Mandir, Bhadreshwar**, many students were first-generation learners, and regular school attendance was a struggle. But the change began not just in classrooms, but in homes and the community.

Through home visits, interactive parent meetings, and community engagement, teachers built trust and understanding with families. Education became a shared commitment, where parents felt connected and involved in their children's future. With this caring and inclusive approach, attendance rose from 70% to over 90% plus in just two years. Today, the school is a symbol of how education thrives when it is rooted in connection, care, and community support.

A Place for Everything, and Everything in its Place

At Ambuja School, Upparwahi, the 5S method became more than just an organizational tool - it reshaped behaviors, mindsets, and the entire learning environment. Structured, clutter-free spaces fostered discipline, efficiency, and teamwork, making learning more engaging and effective.

Teachers had more time to focus on students, while children developed responsibility and ownership of their surroundings. With active participation from support staff and the community, 5S turned into a shared mission, creating a culture of continuous improvement and pride.

Today, Ambuja School stands as a model of transformation, proving that small, consistent efforts can drive lasting change in schools, families, and communities.

Full Circle: Leading the Legacy at his Alma Mater

1980-81 Batch, ACC Higher Secondary School, Kymore, Madhya Pradesh

जुलाई 1978 में मैंने ACC पूर्व माध्यमिक शाला, कैमोर में कक्षा 6 में प्रवेश लिया। मेरे प्रेरणास्रोत आदरणीय श्री आर. ए. पठान जी की अनुशासित शिक्षाशैली और समर्पण ने मेरे भीतर शिक्षा के प्रति गहरी रुचि जागृत की। सीमित संसाधनों के बीच लालटेन की रोशनी में पढ़ाई करते हुए मैंने रानी दुर्गावती विश्वविद्यालय, जबलपुर से भौतिकी में एम.एससी. और बी.एड. किया।

1997 में, अपने ही विद्यालय में भौतिकी व्याख्याता के रूप में नियुक्त हुआ। यह मेरे लिए गर्व का विषय था कि जहाँ मैंने शिक्षा ग्रहण की, वहीं शिक्षा देने का अवसर मिला। इसी दौरान, विद्यालय का हायर सेकेंडरी तक उन्नयन हुआ और मैंने पहले बैच को गणित और भौतिकी पढ़ाया। मेरे शिक्षण के दौरान कई छात्रों ने राष्ट्रीय और राज्य स्तर की परीक्षाओं में सफलता हासिल की, जो मेरे लिए अत्यंत गौरव का विषय रहा।

2017 में प्रधानाचार्य बनने के बाद भी मैंने कक्षा 12वीं की गणित पढ़ाने की अपनी रुचि को बनाए रखा। विद्यालय के विकास में मेरा सक्रिय योगदान रहा, जिससे छात्रों की शैक्षणिक गुणवत्ता और विद्यालय की प्रतिष्ठा बढ़ी।

मेरे लिए सबसे अविस्मरणीय क्षण तब आया जब विद्यालय ने 100 वर्ष पूरे किए, और शताब्दी समारोह में मुझे परम आदरणीय श्रीमती प्रीति अदानी जी का अभिनंदन करने का अवसर प्राप्त हुआ। यह यात्रा आसान नहीं थी, लेकिन परिवार, गुरुजनों और विद्यालय के सहयोग से यह संभव हुआ। मैं भाग्यशाली हूँ कि जिस विद्यालय से सीखा, वहीं सिखाने का अवसर मिला, और यही मेरी सबसे बड़ी उपलब्धि है।

जहाँ से सीखा है, वहाँ वापस जाकर सिखाना ही सच्ची गुरु दक्षिणा है।

Mr. Sudhanshu Mishra
Principal

ACC Higher Secondary School, Kymore, Madhya Pradesh
Managed by Adani Foundation

With Pride and Gratitude, Our Alumna Returns to Lead

Walking through the same school gates as a young student and returning years later as Principal - Ms. Shikha's journey is truly inspiring.

In 1985, she cycled to Mount Carmel Convent School (now managed by Adani Foundation), filled with nervous excitement. Fast forward to August 2024, she now leads the very institution that once shaped her.

Guided by her parents' values of honesty and loyalty, Ms. Shikha initially pursued Industrial Relations, but destiny led her to education. What began as a reluctant step into B.Ed. became a lifelong passion for nurturing young minds. With over two decades in education, she now pays forward the wisdom of her mentors, shaping future generations with the same dedication and gratitude.

Ms. Shikha Chatterjee
Principal

Mount Carmel Convent School, Sindola, Maharashtra
Managed by Adani Foundation

Batch 2008, NRC School Kalyan, Maharashtra

From School Benches to Success

A Legacy that Makes All Proud!

"My journey began on the hallowed grounds of NRC School (managed by Adani Foundation), where the seeds of curiosity, hard work, and determination were sown. As I graduated, I embarked on a path of self-discovery, navigating the twists and turns of higher education and early career choices.

With each step, my resolve strengthened, and my passion for excellence grew. I pursued opportunities that challenged me, and I seized every chance to learn and grow. The lessons I learned along the way – resilience, teamwork, and innovative thinking – became the foundation upon which I built my career.

Years of dedication and perseverance paid off as I rose through the ranks, taking on increasingly complex roles and responsibilities. And now, as a Senior Manager at Deloitte, I stand proud, looking out upon a landscape of achievements and milestones.

Yet, I remain humble, knowing that this journey is far from over. The lessons I've learned, the relationships I've forged, and the experiences I've had will continue to shape me as I navigate the next chapter of my professional journey."

Mr. Raghavkumar Jha
Senior Manager, Deloitte

A FAREWELL ETCHED IN HEARTS

ENGLISH TRANSLATION

The academic year 2024-25 has gracefully come to an end. As the Class 10 and 12 students stepped out of Adani Schools, they carried more than just their certificates - they carried wisdom, an indomitable spirit, and the clarity to chase their dreams. Yet, their hearts felt heavy, filled with gratitude and emotions too deep for words. This was not just a school; it was home. These classrooms, these corridors, these teachers and friends - they shaped who they are today. The bond with their alma mater is one that time will never erase.

This farewell is not an end - it is the beginning of a new chapter. As these young hearts step into the world, they do so with clarity, resilience, and the unwavering belief that they will make a difference. No matter how far they go, a part of them will always belong here.

આંખો ભીની થઈ જાય જ્યારે વિચાર આવે
કે અહીં થી અવે જવાનું છે,
ક્યાં નાના બાળક બની ને આવ્યા હતા
ને અવે એક સારો માણસ બની ને જવાનું છે,
દફતર માંથી ચોપડા કાઢી હવે યાદો મુકી જવાનું
છે,
બધા મિત્રો, બધા ગુરુઓ અને બધી દીવાલો ને
આવજો કહી ને જવાનું છે,
આશીર્વાદ લઈ ને આયા હતા અવે આશીર્વાદ લઈ
ને જ જવાનું છે,
બંધ મસ્તી કરી, બંધ ભૂલો કરી, પણ એજ ભૂલો
ની શીખ લઈ ને જવાનું છે,
ભૂલો માટે માફી અને, માફ કરવા બદલ આભાર
કહી ને જવાનું છે,
હૃદય તો ના પાડે છે, મન નથી માની રહ્યું,
પણ સમય આવી ગયો છે, અને હવે જવાનું છે...
